Re: United States v. Gennady Klotsman, 98 Cr. 1069 (ILG)

Dear Judge Glasser:

This law firm represents Gennady Klotsman in the above-referenced case.

As the Court may recall, last December your Honor sentenced Mr. Klotsman to 72 months imprisonment. However, he has yet to be designated to any correctional facility and he remains at M.D.C.-Brooklyn. Since M.D.C.-Brooklyn is a maximum-security prison where he is not able to enter any programs that might help to either rehabilitate him or to reduce his sentence, Mr. Klotsman's punishment is effectively increased. I have tried repeatedly, but without success, to get the Bureau of Prisons and the Marshal's Service to designate Mr. Klotsman. I write to ask the Court to intervene in any way that your Honor deem it appropriate so that Mr. Klotsman does not have to serve his entire sentence at M.D.C.-Brooklyn.

Thank you very much for your continued attention to this case.

Respectfully submitted,

Alexei Schacht

Spoke with Bureau of Prisons  
and learned that defendant  
was designated on 6/6 to  
Alameda. I assume Mr.  
Schacht is now aware of that
